KHUTSO MAKUNYANE

UX UI Designer | Full Stack Developer

South Africa, Pretoria | khutsomakunyane1@gmail.com | My portfolio

PROFESSIONAL SUMMARY

I Am A Passionate Junior UX/UI Designer With Hands-On Experience Designing And Developing Web And Mobile Applications, Focused On Turning Ideas Into Clean, Intuitive, And User-Friendly Digital Experiences. With A Strong Understanding Of User-Centered Design, Usability, And Responsive Design, I Create Solutions That Are Both Visually Appealing And Practical. Having Been Involved In Full Software Development Cycles — From Research And Wireframing To Development And Deployment I Am Currently Finalizing My Diploma In UX/UI Design At Uniathem Institution, Where I Continue To Strengthen My Design Thinking And Problem-Solving Skills.
